

Article number:	306010013
	
Product name:	Fastener PLUS – big, Stainless steel
Field of application:	Sheet metal fastener with mounted sealing washer for fastening deflectors / splitters in air ducts, for sheet metal gauges from 0,7 mm up to 1,2 mm
Material:	AISI 316 Ti / Silicone- free seal
Unit:	Boxes a 200 pcs
Weight:	0,00 7kg / pc
Production method:	Stamp-folding
Resistance:	Excellent UV resistance and resistance against ozone
Temperature Resistance:	-40 °C - +100 °C
Remark:	Quick and easy mounting by hammer. Higher extraction resistance through parallel S-formed metal insertion Drill hole diameter: 10 mm
